

SWITCHGEAR GENOMICS LIMITED USE LICENSE

For research use only. This product and/or its use is subject to one or more of the following SwitchGear Genomics patents: U.S. Pat. Pub. Nos. US2007/0161031, US2009/0018031, US2008/0220983, US61/397340 and various corresponding patent applications and issued patents. BY USE OF THIS PRODUCT, RESEARCHER AGREES TO BE BOUND BY THE TERMS OF THIS LIMITED USE STATEMENT. If the researcher is not willing to accept the conditions of this limited use statement, and the product is unused, SwitchGear Genomics will accept return of the unused product and provide the researcher with a full refund. Researchers may use this information and/or product in their research, but express written consent from SwitchGear Genomics is required for the transfer of any information including, but not limited to, the DNA sequences or genomic coordinates of these fragments or the products or their derivatives for use by others. Researchers may not reverse engineer, amplify from or transform to prepare more DNA from SwitchGear Genomics constructs without express written consent from SwitchGear Genomics. Researchers shall have no right to modify or otherwise create variations of the nucleotide sequence of the reporter gene without prior expressed written consent of SwitchGear Genomics. In addition, researchers must either: (1) use luminescent assay reagents purchased from SwitchGear Genomics for all determinations of luminescence activity of this product and its derivatives; or (2) contact SwitchGear Genomics to obtain a license for use of the product and its derivatives.

Unless otherwise agreed, no reach-through payments shall be owed to SwitchGear Genomics relating to an organization's commercialization of products that are the discoveries resulting from the research use of this product or its derivatives, provided that such products do not fall within the scope of the valid claims of any issues patents assigned or licensed to SwitchGear Genomics, or that such commercialization would not be a violation of the terms of this license. No other uses including, but not limited to commercial use, of this information, products or their derivatives is authorized without the express written consent of SwitchGear Genomics. Commercial Use means any and all uses of this product and derivatives by a party for monetary or other consideration and may include, but is not limited to use in: (1) product development or manufacture; (2) to provide a service utilizing SwitchGear information or products; and (3) the resale of the information, products or their derivatives, regardless of their intended use. With respect to such Commercial Use, or any diagnostic, therapeutic or prophylactic uses, please contact SwitchGear Genomics for supply and licensing information.

SWITCHGEAR GENOMICS MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING FOR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH REGARDS TO THE PRODUCT. The terms of this agreement shall be governed under the laws of the State of California, USA.
